

SHOSHANA OVER

New York, NY 11222 | Sover620@gmail.com | 347-996-0133

EDUCATION

Bachelor of Science in Applied Biology, Minor in Sustainability Studies
University of Florida, Gainesville, FL

April 2026

PROFESSIONAL EXPERIENCE

Plant Stress Physiology Research Project

Gainesville, FL

Undergraduate Research Intern, University of Florida

March 2026 - June 2026

- Coordinate field research workflows evaluating drought stress responses in urban tree systems
- Operate and maintain scientific instrumentation for physiological data collection in dynamic field environments
- Manage and process large experimental datasets using Excel, SAS, and R programming for research reporting

Sustainable Agriculture Research Project

Gainesville, FL

Undergraduate Research Intern, University of Florida

July 2025 - June 2026

- Lead independent UF/IFAS funded research project on algae biostimulants in organic high-tunnel systems
- Direct daily operations of large scale production system, coordinating schedules, logistics, and treatment workflows
- Developed an AI imaging workflow in Fiji (ImageJ) for quantitative leaf trichome density analysis

Osteobiographical Study of Motza Individuals

Tel Aviv, IL

Student Intern, Tel Aviv University

June 2024 - August 2024

- Assisted in the field recovery, reconstruction, and examination of human skeletal remains using standardized anthropological methodologies
- Analyzed skeletal and oral health indicators from Pre-Pottery Neolithic C remains to evaluate individual health and historical living conditions

LEADERSHIP AND INVOLVEMENT

SOLO Wilderness EMT Course

Gainesville, FL

Training Assistant

September 2025 - Present

- Assist instructors during hands on training scenarios, supporting student learning and maintaining organization in fast paced environments
- Communicate with students and staff while helping manage logistics, materials, and activities

Tabletop Agriculture Cohort

Gainesville, FL

Leader

September 2024 - June 2026

- Perform planting, irrigation, and routine crop maintenance in a sustainable crop production system
- Coordinate upkeep and organization of growing areas to maintain quality and consistency

Wilmot Botanical Gardens

Gainesville, FL

Volunteer

August 2024 - May 2025

- Maintained and restored therapeutic garden spaces serving patients and caregivers at UF Health Shands Hospital
- Assisted with logistics and operations for semi-annual plant sale events

CERTIFICATIONS

- Emergency Medical Technician (Santa Fe College) | July 2025
- Wilderness EMT (SOLO) | August 2025
- Emergency Vehicle Operator Course | July 2025
- CPR / First Aid | September 2024
- SOLIDWORKS Associate (CSWA) - Mechanical Design | December 2022

SKILLS

Field: Data management, plant survey and identification, field safety and risk assessment

Technical: Microsoft Excel, SAS statistical modeling, R programming, SOLIDWORKS CAD modeling, Fiji (ImageJ), ArcGIS
